TRUMAC / TRUTZSCHLER

Make Blow Room & Carding Machine Spares

SPROCKETS, GEARS, PULLEYS, C.I. PARTS, TIMING PULLEYS, LOCKS, HINGES ETC.

SPROCKET

GEARS

We are manufacturing high quality sprockets (simplex, duplex etc.) gears. pulleys, timing pulleys, C.I. parts. Flange bearings. covers, couplings, Taper lock bushes, Door locks & Hinges and many other jobs to fulfill your requirements. Our full fledged in house facilities with all inspection requirements ensure products to very high standard of quality and performance. We are trying to develop & supply all most all spares, big or small mechanical or Electrical, Nylon or Rubber what so ever for Trumac / Trutzschler make Blow-room & Carding machines.

Differential Pressure switch

0350 81 881 860 - DK 780, 803, SF 123, SF 125, MPM & HSR

For low pressure application,

Medium : Air and non corrosive gass

Diaphragm : Silicon LSR

Range : 0.2 - 50 mbar (20-5000 Pascals)

Over Pressure : 75 mbar,

Lowest turn on pressure 0.2 mbar

Pressure connection class IP - 54 with cover.

Differential Pressure Switch in ventilation ducts fro control of

filter and fans, primary and secondary control systems for air

dampers. Protection of hating coils from over heating.

Protection against frost in heat exchangers and industrial cooling circuits

Smallest Switching Differential

SENSOR FOR TRUMAC/TRUTZSCHLER CARD

CFD SENSOR FOR TRUMAC CARD DK 740, 760, 780, 800, 803, TC-03

HUBNER (Berlin) make D.C. Tachogenerator

For DK -740, 760, 780 etc. Carding Machine

(1360 82 803 520)

13601 94 803 520 Carbon Brushes.

Typical applications of hollow shaft Techogenerator drives with high demand of speed dynamics, ruggedness and reliability.

High accuracy of voltage Vo (n) over the entire speed range n.

Most essential component in carding machines.

CARBON BRUSH (ORIGINAL)

1361 94 803 520 Carbon brush for Hubner make Tacho-generator (Imported) DK-740, 760, 780, 803

1360 82 803 505 FBK 533 Delivery Roller Motor Rotomag or specify make.

1360 82 803 505 Delivery (feed) Roller Motor Rotomag or specify make. DK 740. 780 etc.

1360 82 803 509 Doffer Motor Rotomag or specify make Kirlosker, Siemens. Integrated etc. DK740, 780 etc.

1360 82 803 513 Carbon Brush for Bauer make D.C. Motor.

1360 82 803 506 Carbon Brush for Simens make Techo generator ... etc.

CARD COMMANDER FOR TRUMAC DK740, 760,780
